Dear Sir/Madam,

**Subject: APT Regional Workshop on Smart City Platform
30 November – 2 December 2022, Putrajaya, Malaysia**

I am pleased to inform you that the Asia-Pacific Telecommunity (APT), Korea (Republic of), and Malaysia will jointly organize the APT Regional Workshop on Smart City Platform under the “EBC-K project on Smart City Collaboration program” from 30 November to 2 December 2022 in Putrajaya, Malaysia. The workshop will be hosted by the PLANMalaysia, under Ministry of Housing and Local Government of Malaysia. This event aims to share APT members’ views, strategies, experiences, and challenges on Smart City Data Platform

The “Smart City” concept is rapidly gaining popularity in many APT member countries, to bring together the latest ICT technologies and smarter services to citizen’s daily life. The objectives and implementing services may be different by country depending on their cultural basis, or the problems they are facing, but the common issue for all is how to design their data platform and utilize its data effectively to make their city service smarter.

In this regard, I am pleased to invite representatives from your administration who are currently involved in the related field set for this workshop (please see the Concept Note attached herewith) to participate in the workshop. The workshop is planned for Smart City related experts as well as Government personnel, Private business, technical experts and Policy expert. This workshop is open to all APT members. Registration of delegates can be done online at <https://bit.ly/3FzDtWa>. The Information for Participants will be made available for your information at later stage.

The administrations/organizations that wish to contribute to the sessions of the workshop should send the contributions in the form of presentation material in Microsoft Power Point, English Version together with a short abstract/biodata to the APT Secretariat by e-mail ebc-k@apt.int. **The deadline for submission of contribution is 20 November 2022.**

Yours sincerely,
